GALVANIZED PIPE TOP TANKS

Pipe Top Sheep Tanks

Pipe Top Sheep Tanks have the same quality features which are offered in our regular line of pipe top tanks. It has a 1" steel tube in the top for long lasting strength and a smooth crush proof rim. The double-locked bottom seam includes four thicknesses of Galvanized Steel and prime 20 gauge galvanized steel is used throughout the sidewall and bottom construction. All Sheep Tanks come with a 3/4" drain flange.
